Use of Cloth Face Coverings to Help Slow the Spread of COVID-19

How to Wear a Cloth Face Covering

Cloth face coverings should—

- fit snugly but comfortably against the side of the face
- be secured with ties or ear loops
- include multiple layers of fabric
- allow for breathing without restriction
- be able to be laundered and machine dried without damage or change to shape

Many of our shipper and receivers are requiring that all employees and visitors wear a mask. We are also aware that some companies are requiring that our drivers fill out a Covid-19 questionnaire. Please make sure that you read each question.

Reminder - WASH YOUR HANDS OFTEN * DON'T TOUCH YOUR FACE
